**POLYCARBONATE SHEET**

**Plaskolite LLC has acquired the North American polycarbonate sheet manufacturing business of Covestro on August 1, 2018, and has decided to change the brand name of Makrolon® to Tuffak®.**

**Plaskolite LLC will continue to produce the same specification, virtually unbreakable, colorful, innovative and dependable polycarbonate sheet using the same manufacturing processes made from the same Makrolon® resin with the same hardcoat technology that you are accustomed to receiving.**
